Finale

I love my involvement in Ladies Loving Life because it allows me the opportunity to connect with other women who support the important life saving mission of Innervisions Healthcare. I also enjoy sharing my own experiences as a volunteer patient advocate with others who are financially supporting the clinic.

MISSION

Ladies Lovin' Life is a group of female IVHCare supporters who want to make an impact in the life-empowering work at IVHCare. IVHCare organizes occasional social events which promote a Christian, pro-life, pro-woman, and pro-child mission. With the help of Ladies Lovin' Life, our clinic is able to continue empowering at-risk women and vulnerable babies.

Two financial qualifications:

1. A female supporter who gives a single gift over \$1000
2. A female Bucks for Babies donor who gives over \$100 monthly

As a small token of our gratitude, members of the Ladies Lovin' Life will receive an exclusive, one-of-a-kind charm for their yearly participation. Each year, they'll receive additional charms.
